

Semi Solid Stains (SS Series)

This color series contains the highest amounts of pigments. Two coats will usually cover the original wood while still allowing some grain and texture to show.

*Silver Birch • SS-201

Barnboard • SS-202

Tan • SS-203

Oxford Brown • SS-204

Moss Green • SS-205

* Avocado • SS-206

Mushroom • SS-207

Silver Grey • SS-214

Cape Cod Grey • SS-222

*Burgundy • SS-233

Heritage Blue • SS-240

Navy Blue • SS-242

*Forest Green • SS-260

*Hunter Green • SS-268

Liquid Samples Available!

Liquid samples of all colors may be ordered, and we encourage you to do liquid brush outs on your wood species to test color before ordering final product.

* These colors are *SS Plus* and fall into extra pricing category.
