Thank you for your order. A representative will call you and confirm our receipt of this form and calculate shipping and final charges. We will discuss your order and ascertain that you are ordering the appropriate product and quantity. If you do not hear from us please call to make sure we received your order.

RETURN POLICY:

Please note that only unopened containers are returnable within a 60 day period. Clear UV is the only Timber Pro wood stain formula that is returnable. All factory tinted colors are not returnable. 5% restocking fee applies to all returned products. Return shipping must be pre-authorized so please contact us and obtain a return authorization number prior to sending product back. Shipping costs will not be paid by Timber Pro nor will original shipping costs be refunded from original sale.
